your mortgage, you can so for your-

the ground. The everything, we had to do without a "Here's a memorandum my father in anguish for a good many things, and we are very made of the circumstances, and it is their necks not behave enough to pay it, and they all sure methodical man, and would not say we may look for no mercy from Squire Johns, for he is very hard to the poor, and he has always wanted the poor, and he has always wanted and evil consequences to him. I beinglitered sheep, at the poor, and he has a some of his lieve.— a sudden suspicion coming our farm, because it joins some of his lieve.— a sudden suspicion coming our farm, because it joins some of his lieve.— a sudden suspicion coming re dragged back own land where he wants to build. I into his mind, as he detected a luckd the yells and whom the specheard all about it when one of the ing triumph in Squire John's eye,—'I The Squire uttered curses low and believe there's some villainy about deep, but Millie did not stay to hear believe there's some villainy about deep, but Millie did not stay to hear though he didn't want me to know this matter, and that you are at the them. She only saw him ride away, bottom of it," he exclaimed excitedly

"Then you know the consequences."
"And what is to become of my

curse with it, now and evermore! at several entertainments.

Millie, pale and frightened. Eva wa-

ing her dire tions for what she was The next day was a long time of sus-

Souire Johns.

Livid and trembling with passion Squire Johns was compelled to yield the mortgage, and execute the usual release.

There was no trace of the violent passion to which the Squire gave free icense, when next evening he drove up to Sanford's. He looked happy e ready except taking it up."

"you are very much mistake. It is and smiling. There was a queer the dinner seemed very meagre to not due till the 28in, it is now but the smile on Millie Wa aer's face as she title Hetty washe read every the terms." It was a little on inous that he was compelled to wat in the parlor alone five, ten, fifteen minutes. Still more on inous that she came in at last, distant and us miling. Still be could hardly belie e he heard aright, when to his suit she gave a prompt, uncompromising "no!" He urged; she was firm. I e threatened; she flashed out. brave and indignant, something of what she kne v and felt, and spurned him and his suit with scorn and loath

"Such a gre | threat is worth; of you! of a pie with your combact with the Haze she ended. "To the II zels! What do you

know about the u? Perhaps you are

all, every v ord."

Squire Johns rode a long distance out of his way, six menths after, to avoid a wedding party just returning from church—Ben Hazel and Millie.

A SMALLER DWARF THAN TOM

cers, and found to be only 31 inches in height. It seemed that in 1862 his tather met a Frenchman named Philip Lemure, who prevalled on him to give up his business and exhibit his son as the smallest dwarf existing, he being one inch less in height than Gen. Tom Thumb. The father consented, for a graded to a murder, and surrounded with beastly howlings.—Chicago Eccation Post.

Chan has a cartoon in a late number of Charivari, apropos of the scarcity of arms in Paris. A young volunteer, with new conlinearity of a small, unincumbered farm from the correct with new conlinearity. It is a small way. She was zo c inheritor with new conlinearity of a small, unincumbered farm from the correct with new conlinearity. It is a small way.
